

Bluebird Customer Support Handbook

Service standards for 2026

This document is fictional and exists only to test retrieval, grounded answers, source separation, citations, and refusals.

Response and escalation

Priority one

Priority-one incidents require an initial response within 15 minutes and an update every 30 minutes until service is restored.

Priority two

Priority-two incidents require an initial response within two hours and an update every four hours.

Escalation

An unresolved priority-one incident must be escalated to the duty manager after 45 minutes.
